I am very honoured to present the 23rd edition of our annual flagship EU Film Festival, Europe on Screen (EOS) 2023, an iconic European cultural event in Indonesia. After three years of online and hybrid screening we are finally back with full in-person screenings to showcase the best of European film-making.

EOS is a window to the beauty of diversity, even in challenging times, as captured by the creative and world-class European filmmakers and cinema industry. With EOS, we would like the audience to enjoy unforgettable movies, have fun, but also approach social issues transcending the European boundaries and create shared experiences between Europe and Indonesia.

I am also proud that with EOS we continue to engage Indonesian young and emerging talents, with the “Short Film Pitching Project” and to offer a platform for exchange between Indonesian and European cinema professionals.

My heartfelt gratitude goes to all those who made this possible: the Embassies and Cultural Centres of EU Member States and other European countries, the EOS Co-Directors and their team, all our partners from the film sectors, cultural institutions and media, and many more.

Enjoy the festival, selamat menonton!

Vincent Piket

Ambassador of the European Union to Indonesia

Dengan hormat, saya mempersembahkan edisi ke-23 dari Festival Film UE unggulan tahunan kami, Europe on Screen (EOS) 2023, acara budaya Eropa yang ikonik di Indonesia. Setelah tiga tahun pemutaran daring dan hibrid, kami bangga dan senang bahwa kami akhirnya kembali dengan pemutaran langsung secara penuh untuk menampilkan yang terbaik dari pembuatan film Eropa.

EOS merupakan jendela menuju indahnya keberagaman, bahkan di masa-masa sulit, seperti ditangkap oleh produser dan industri film Eropa yang kreatif dan berkelas dunia. Melalui EOS, kami ingin penonton menikmati film yang tak terlupakan, bersenang-senang, tetapi juga memahami masalah sosial yang melampaui batas Eropa dan menciptakan pengalaman bersama antara Eropa dan Indonesia.

Saya juga bangga bahwa melalui EOS kami terus melibatkan talenta muda dan baru, melalui “Proyek Pitching Film Pendek” dan menawarkan wadah untuk pertukaran antara talenta profesional perfilman Indonesia dan Eropa.

Terima kasih yang tulus saya sampaikan kepada semua pihak yang mewujudkan festival ini: Kedutaan dan Pusat Kebudayaan Negara Anggota UE dan negara Eropa lainnya, Co-Direktur EOS dan tim mereka, serta semua mitra kami dari sektor film, lembaga budaya, media, dan banyak lagi.

Silakan nikmati festivalnya, selamat menonton!

Duta Besar Uni Eropa untuk Indonesia

Here we are at the most wonderful time of the year: EUROPE ON SCREEN 2023.

For the next 10 days, you can watch 73 internationally acclaimed European films for free of charge in Jakarta, Bekasi, Bandung, Yogyakarta, Surabaya, Denpasar and Medan. I'm happy to welcome 10 new projects in EoS 2023 Short Film Pitching Project and congratulate our EoS 2022: SFPP winners on their film premiere at our festival.

Since Road to EoS 2023 started in March 2023, we're happy to see familiar and new faces in our venues, watched films and shared feelings. The face-to-face human interaction is the best way to touch hearts. That's why films are best experienced together in a big theatre, big screen, surrounding sounds, sharing laughter and stories. And not in the solitude of your laptop/handphone. Happy #EoS23 festival-going and thank you for always supporting us.

Selamat datang di saat yang paling membahagiakan sepanjang tahun: EUROPE ON SCREEN 2023.

Selama 10 hari ke depan, Anda bisa menonton 73 film berkualitas internasional dari Eropa secara gratis di Jakarta, Bekasi, Bandung, Yogyakarta, Surabaya, Denpasar dan Medan. Saya senang menyambut 10 proyek baru di EoS 2023: Short Film Pitching Project, sekaligus menyelamati 3 pemenang EoS 2022: SFPP yang tayang perdana di #EoS23.

Sejak Road to EoS 2023 dimulai di Maret 2023, kami senang melihat wajah akrab maupun baru di tempat pemutaran, menonton film dan berbagi rasa. Interaksi manusia secara langsung adalah cara terbaik berkomunikasi. Oleh karena itu film lebih nikmat ditonton bersama di teater berlayar lebar, suara gegap gempita nan menyeluruh, berbagi tawa dan cerita. Tidak hanya dalam kesendirian di depan laptop/telepon genggam. Selamat berfestival di EoS 2023 dan terimakasih sudah selalu mendukung kami.

Meninaputri Wismurti
Festival Co-Director

Welcome to Europe on Screen 2023.

As we organise the festival mid-year, we'd like to bring out audience-friendly European films to our audiences, who are enjoying school break, or simply taking a break from regular activities to enjoy our screenings. We also would like to introduce a new section, Family Fares, where we screen films catered for all family members to watch together.

This year, the festival returns to being a fully physical festival. While film screenings may be exclusively offline, audiences can still participate in our online activities, such as virtual talks and workshops we run before and throughout the festival.

Thank you to the EU Delegation Indonesia, all participating embassies and institutions, and our hard working committee members.

Enjoy the festival!

Selamat datang di Europe on Screen 2023.

Festival ini hadir setiap tengah tahun. Oleh karena itu, kami membawa film-film Eropa yang bisa ditonton semua lapisan usia penonton, mulai dari yang sedang liburan sekolah, atau yang sedang mengambil waktu luang di tengah kesibukan untuk hadir di festival ini. Kami juga memperkenalkan program baru, Family Fares, yang menampilkan film-film yang bisa ditonton seluruh anggota keluarga.

Meskipun tahun ini pemutaran semua film dilakukan secara luring, penonton masih dapat menikmati kegiatan-kegiatan daring, seperti diskusi dan lokakarya, yang kami hadirkan sebelum dan sepanjang festival.

Terima kasih kepada Delegasi Uni Eropa di Indonesia, semua kedutaan dan institusi yang berpartisipasi, dan teman-teman panitia atas kerja kerasnya.

Selamat berfestival!

Retrospective: Costa-Gavras

We are proud to present Retrospective: Costa-Gavras in this year's festival. The Greece-born French filmmaker is known for his sharp social and political commentaries in his films, which he has cultivated from the very beginning of his career. We present his first three films, all of which already showed his magnificent skills in crafting engaging thrillers. From the whodunit story that pokes social division in *The Sleeping Car Murders* (1965), to the anti-war action *Shock Troops* (1967), and what remained as a high standard of political thriller in *Z* (1969), all these films will keep you at the edge of your seats.

Kami bangga mempersembahkan program Retrospective: Costa-Gavras di festival tahun ini. Sutradara Perancis kelahiran Yunani ini dikenal dengan karya-karyanya yang penuh muatan kritik sosial dan politis, yang sudah dia sampaikan dari awal karirnya. Kami menghadirkan tiga film pertama Costa-Gavras, yang sudah memperlihatkan kepiawaiannya menggarap thriller yang menegangkan. Dari cerita pembunuhan yang menyindir perbedaan kelas sosial di *The Sleeping Car Murders* (1965), lalu film aksi anti perang di *Shock Troops* (1967), sampai film beliau yang masih menjadi standar tertinggi pembuatan film thriller politis di *Z* (1969), semua film ini akan membuat penonton tidak berani beranjak dari tempat duduk.

Specialties: Short Film Pitching Project

The Short Film Pitching Project was initiated in Europe on Screen 2018. The idea was to invite emerging filmmakers to develop their first short films. In our fifth year in 2022, out of 190 submissions, we narrowed it down to 10 projects who we invited to pitch in front of professional filmmakers. We selected 3 projects to receive partial production funds from the festival, and we are proud to premiere the winning projects again this year.

The submissions for the sixth Short Film Pitching Project started at the end of March 2023. Out of 168 project submissions, we picked 10 shortlisted projects that will pitch their ideas during EoS 2023.
