FOREWORD

I am happy to present our annual flagship cultural event, the 22nd edition of the EU Film Festival, Europe on Screen (EoS) 2022.

After two years of a fully online festival, this year's festival will be a hybrid event with in-person screenings held from 16 to 26 June 2022 and online screenings from 20 to 30 June 2022. We are excited to be back and this time to present 69 films from 25 European countries.

EOS is a great opportunity to enjoy diverse stories from European filmmakers and to talk with them about their creative work. Also, I am proud that EOS is supporting the Indonesian film industry by continuing our "Short Film Pitching Project". This annual competition calls for entries from emerging filmmakers who have brilliant ideas for short films, with the winners awarded some funding to produce their pitch into a film.

My profound thanks to those who have made EOS 2022 a reality: the European Union and other European embassies and cultural centres, the Festival Co-directors and their team, and all our partners from the film industry, film schools, cultural spaces, the media and more.

Enjoy the festival, in the cinema or online. Selamat menonton!

Vincent Piket
EU Ambassador to Indonesia

Dengan penuh kebahagiaan saya mempersembahkan acara budaya unggulan tahunan kami, Festival Film Uni Eropa edisi ke-22 "Europe on Screen (EOS) 2022".

Setelah dua tahun festival ini diselenggarakan secara online, tahun ini merupakan festival hibrid dengan pemutaran offline dari 16 hingga 26 Juni 2022 dan pemutaran online dari 20 hingga 30 Juni 2022. Tahun ini kami menghadirkan 69 film dari 25 negara Eropa.

EOS adalah kesempatan yang baik untuk menikmati beragam cerita dari sineas film Eropa dan untuk berbicara dengan mereka tentang karya kreatifnya. Saya juga bangga EOS mendukung industri film Indonesia dengan melanjutkan "Short Film Pitching Project" kami. Kompetisi tahunan ini mengundang entri dari sineas muda yang memiliki ide cemerlang untuk film pendek, dengan hadiah dana bagi pemenang untuk mengembangkan ide mereka menjadi sebuah film.

Terima kasih yang sebesar-besarnya kepada semua yang telah membuat EOS 2022 menjadi kenyataan: kedutaan besar dan pusat kebudayaan negara-negara anggota Uni Eropa dan negara-negara Eropa lainnya, Co-direktur Festival dan tim mereka, dan semua mitra kami dari industri film, sekolah film, ruang budaya, media dan banyak lagi.

Selamat menikmati festival, offline atau online. Selamat menonton!

Vincent Piket
Duta Besar Uni Eropa untuk Indonesia

PRAKATA

There's no word to express my happiness in meeting all of you for REAL again in Europe on Screen 2022. The excitement and the giddiness of opening the doors of our festival venues to audiences and welcoming everyone in Jakarta, Bandung, Denpasar, Medan, Surabaya and Yogyakarta.

At the same time, we are inviting moviegoers all over Indonesia to enjoy #EoS2022 via FestivalScope.com and to join a series of our Film Talks: Zoom with European filmmakers.

I'm so grateful that we all have been given a chance to celebrate life through camera lenses and be part of the communal cinematic experience once more, especially to support young filmmakers to pursue their dream in Short Film Pitching Project EoS 2022.

Let's live and let's go out to our festival and share your best memories in EoS 2022.

Tidak ada kata yang bisa menggambarkan kebahagiaan saya untuk bertemu kembali secara LANGSUNG dengan penonton Europe on Screen 2022. Keriangan dan rasa berdebar ketika membuka pintu tempat pemutaran festival kami untuk menyambut penonton di Jakarta, Bandung, Denpasar, Medan, Surabaya, Yogyakarta.

Di saat bersamaan, kami juga ingin mengundang pecinta film dari seluruh Indonesia untuk menonton dan menikmati #EoS2022 lewat FestivalScope.com dan bergabung dalam seri program Film Talk: Zoom bersama pelaku film di Eropa.

Saya sangat bersyukur bahwa kita masih diberikan kesempatan sekali lagi untuk merayakan kehidupan lewat lensa kamera dan menjadi bagian dari pengalaman menonton sinema secara komunal, terutama dalam kembali mendukung sutradara / pelaku film muda di Indonesia dalam mewujudkan mimpinya di Short Film Pitching Project EoS 2022.

Yuk tetap semangat dan ayo keluar untuk datang ke festival kami sambil berbagi memori terbaikmu di EoS 2022.

Meninaputri Wismurti
Festival Co-Director

Welcome to the 22nd Europe on Screen, and welcome back, EoS friends. We're glad to see you in person again this year. We also would like to greet our virtual audiences across Indonesia.

This year marks the first time the festival is held in both physical and virtual formats. We believe that collective filmgoing experience shall be enjoyed together in person, while the experience is also shared with others at great distances.

Despite the challenging times we are in right now, our festival aims to bring you some exciting contemporary European films. We hope these films will amuse, comfort and inspire you.

I would like to thank the EU delegation, participating embassies and institutions, and our whole team for their support.

Selamat datang di Europe on Screen ke-22, dan selamat datang kembali para penonton EoS, baik yang hadir secara langsung maupun secara virtual.

Tahun ini menandai pertama kalinya EoS diadakan secara daring dan luring. Kami percaya pengalaman menonton film sebaiknya dinikmati bersama secara langsung, sambil membagi kesenangan ini dengan para penonton lain yang terpisah jarak.

Dalam situasi yang penuh tantangan ini, kami tetap berusaha menghadirkan film-film Eropa terbaru yang menarik. Semoga film-film ini bisa menghibur dan menginspirasi Anda semua.

Saya ingin mengucapkan terima kasih kepada delegasi Uni Eropa di Indonesia, kedutaan-kedutaan dan institusi yang berpartisipasi, dan seluruh panitia atas dukungannya.
